Work experience

[iNSPARK Enterprises]

[Junior UI/UX Designer]

August, 2020 – Present

inspark is a digital agency in Enugu Nigeria.

I worked on several client projects. I worked on my design thinking system with hands-on projects I also effected my communication skills and understood more about how working in an organised environment is, the hierarchy. I proposed to do a redesign of the current inspark website, and when I was done, they loved it. Proud moment!
